NEET PHYSICS in 123 CONCEPTS

The Author and the Mentor of this comprehensive course content Mr. Ch. Ramesh, is a Senior Lecturer in Physics catering the academic needs of the student community, particularly medical entrances aspirants for the last 28 years. He worked as leading key faculty member in the Tetrahedron Educational Academy, Himayatnagar in Hyderabad for 12 years & in Sri Chaitanya Educational Institutions, Chaitanyapuri and Narayanaguda of Hyderabad for another 14 years.

Under his tutelage and guidance hundreds of students have realized their cherished goals. The best ranks achieved by his students in different medical entrances are: 3rd rank, 4th rank, 5th rank, 11th rank 19th rank, 32nd rank, 34th rank, 35th rank, 39th rank, 41st rank, 47th rank, 58th rank, 62nd rank, 74th rank, 86th rank, 99th rank..... And many more.

Dear Students & Parents,

This comprehensive course is built in 123 concepts modules with high quality Synopsis and Numerical solutions to cut through every corner of the physics syllabus of NEET (UG) as prescribed by CBSE.

Synopsis and about 3000+ Numerical problems of all the concepts of the course are explained in AUDIO, VIDEO and TEXT forms of learning. Understanding and Practice/Revision of Numerical Problem is made so simple by Digital Tracking and Voice Over Explanation. The most recently developed Learning Glass Technology gives the student a LIVE CLASS ROOM interactive experience. The Course content is delivered in the form of PRINTED BOOKS & MOBILE APP
